

24 education credits
required every
TWO years.

Certification Education Requirements

1 Initial certification: Must include Introductory Survey Course on Debt Buying (4 credits) and Industry Ethics (2 credits).

Re-certification: Must include Current Issues In Debt Buying (4 credits) and Industry Ethics (2 credits).

2 Up to 16 credits may be obtained online, via live webinars or online courses.

8 credits must be from in-person education.

3 Education credits can be obtained through RMA, programs provided by Authorized Education Providers, or education on approved subject matter.

Receivables Management Association (RMA) members can now access **ALL** webinars for ***FREE!**

As a member, you now have access to all live previously recorded webinars on our website and they all count towards credit for certification. **One** free webinar per company per month; all additional registrations will be billed at the membership price.

**Introductory Survey Course on Debt Buying, Ethics as the Cornerstone of a Compliance Management System, Current Issues in Debt Buying, and any special series are not free and are billed at the member rate.*
