### Course Presenters:

Since 2007, Ben Johnson has served as the Director of Risk Management for Cornerstone Support. He specializes in business insurance for collection agencies, debt buyers and collection attorneys. He lives in Woodstock, Ga., with his wife and twin daughters. Cornerstone Support is the premier provider of insurance and state licensing services for the accounts receivable management (ARM) industry. Since 1998, the company has assisted thousands of collection agencies, debt buyers and collection law firms with their risk management needs. Cornerstone’s clients are located in all 50 states and around the globe. The company is based in the Atlanta suburb of Roswell, Ga.

Dara Tarkowski is a renowned legal expert shaping the future of law, technology and highly regulated industry. As a published author, keynote speaker, and the co-founder of Actuate Law and the reg-tech start-up quintec, she is an outspoken voice on how technology is impacting the future of delivering legal and compliance advice to financial services companies. Dara’s legal practice centers around regulatory advocacy, compliance and litigation defense for the financial services industry. Dara routinely represents issuers, fintech companies, debt buyers, agencies and other technology service providers to the receivables management industry. She also counsels clients on data privacy, cybersecurity, information governance, and data breach response, including how to leverage technology for increased compliance.
