WORKING FOR YOU

- Tracking 500+ bills detrimental to the receivables industry
- Retaining twelve state lobbyists in 2025, a record-breaking number
- Fighting unreasonable collection limitations on medical debt and the use of artificial intelligence
- Fighting New York City regulations which impose the most secure restrictions on collectors in the nation
- Fighting harmful wage and bank garnishment bills
- Fighting state attempts to impose consumer opt-in requirements or other unreasonable restrictions on e-communication
- Ensuring consumer privacy legislation has exemptions for collectors
- Over 20 meetings & conversations with state attorneys general and their staff
